2. Course Code: 213
3. Semester offered: 2nd
4. Total course credits: 2
5. Course workload
 - 5.1. Lecture classes: 30h
 - 5.2. Practical classes:
 - 5.3. Seminars:
6. Course Syllabus:
 - Course dedicated to topics of interest to students in the program that are not covered in the set of disciplines. In general, the topics to be addressed supplement the syllabi of the program's traditional, multidisciplinary, or highly practical disciplines. Special attention will be given to the possibilities of offering this discipline by external professors invited to participate in dissertation defense committees, or who come to the institution due to collaboration on projects.
7. Main Bibliography:
 - The bibliography will be indicated by the professor responsible for each edition.
